Eden Park Farm, Love Lane, Headcorn – The Clerk has sent further representations to the planning inspectorate as agreed at the last meeting. The Clerk has attempted to get an update. This site has been the subject of an appeal by the residents which has been allowed.

Hammerstream Paddock – MBC have taken out an injunction on this land however a caravan has been sited there. MBC have been informed and are taking action. However HPC expressed concern that any action taken had to be in a timely manner and as a priority. See correspondence. A draft enforcement notice is with our legal team for review and is likely to be served in the New Year.

Sign outside the Yard on High Street – The Clerks Office has sent a letter to the owners of the Yard to take down this sign. The Clerk also talked to a member of staff there who assured the Clerk it will be taken down either just before or after Christmas. If it has not been removed the Lengthsmen will be asked to remove it.

5. Correspondence other than that concerning the planning applications on the agenda: -

An email was received from Yalding Parish Council telling us that they had discovered that there had been a change in Enforcement Officers at MBC. This was confirmed by MBC. This will put back some of the issues in Planning by a month.

An email from parishioner about the G and T site in Hammerstream Paddock that there appears to be more touring vans and further consolidation of the site. This was passed on to MBC.

21/506257/FULL 1 Long Lane Lenham Road Headcorn Kent TN27 9LG

Material change of use of land for the stationing of caravans for residential occupation with associated operational development including hard standing, package treatment plant, utility shed, shed and dog run (retrospective).

Particular to this site is the question of the track being a PROW? As well as the general detriment of another block of hard standing to the environment or an area prone to flooding.

The Committee agreed that we would restate our previous concerns regarding proposed further Gypsy and Traveller sites. Which includes the following : -

- Proper assessment of the evidence that supports the assertion that the applicants are of Gypsy or Traveler status.
- Gypsy and Traveler housing need verses supply.
- Development in the Open Countryside and paragraph 25 of the PPTS which states that Local Authorities should strictly limit Traveler site development in open countryside.
- Poor social cohesion with the villages settled community leading to social tensions on both sides.
- These applications are also contrary to the following local plan policies:-
 - SS1 Maidstone Borough Spatial Strategy.
 - SP17 Countryside.
 - DM1 Principals of Good Design.
 - DM15 Gypsy, Traveler and Traveling show people accommodation.
 - DM30 Design Principals in the Countryside.

10. Matters for information, urgent matters at the discretion of the Chairman for noting only or any items for discussion at future meetings: -

There have been several questions raised about the suitability of patio heaters on the High Street outside Tap17 to warm the outside seating which raised the question of this still being allowed.

Also a covering out the back like a pergola has lighting that is too bright which raised a further question of if the covering itself was ok? It was also questioned if having Christmas stalls on one of the Saturdays was within their remit.

It was also questioned what their closing time on a Sunday is now? It was 7pm but they were open till 11pm.

The clerk will attempt to find out these answers.

There being no further matters for consideration the meeting was closed at 7.35pm.
