 - Lenham Road Lack of Footpath from the Crest Nicholson Site** – Road closures confirmed for 25th to 29th July and work will recommence. Should be completed this month!
 - Roberts Land** – Orbit has agreed in principle to a Deed of Variance. The access road has been finished and we are in the process of tying up the legal side with the solicitors. We are also tying up the legal side with Dr. Roberts with the help of Brachers. All in the hands of the solicitors. Clerk is pressing for an update.

 - **20MPH Zone and associated traffic calming measures – High Street, North Street, Kings Road & Forge Lane**
After discussion with the KCC officer and noting their comments: -

it was agreed that the options they provided would be most useful with a single SID placement and associated locations. After this HPC will need to undertake a formal consultation with residents.

- Siting white village gateways at the entrance to the village on the A274 entering Headcorn from Maidstone. These have a psychological component which might make them as useful as other options. Add to HIP. It was also suggested that now the speed limit on the Maidstone Road has been reduced to 30MPH from Stonestile Road it might be a good idea to move the proposed placement of gate and "Headcorn" sign to the Stone Stile Crossroads.
 - A parishioner suggested an idea of part-time 20 mph limit to be placed outside the school and this is being investigated by KCC Highways. KCC are still enquiring about this.
- **Oak Lane – Speed Issues**

The issue on Oak Lane is not necessarily one of speed but may have more to do with the narrowness of the road and lack of consideration by some drivers.

As council has agreed in principle with what is needed the Clerk's Office will move forward with KCC to install SID and the 20MPH limit outside the school if practicable as well as the white gateways. Email sent to Jennie Watson to arrange a meeting this will happen later in the month with whoever is in post at that time. Sort out the HIP and add all above issues and set them in motion where possible. Due to a department change we were asked to give the new team a chance to "bed in" before following this up. This period is almost over and the Clerk's Office will be asking for an opportunity to meet with them ASAP.

External Speedwatch provided by Kent Police – Four new dates have been provided for police speed enforcement. To arrange to be reviewed after that by council. Nothing further to do until the four dates booked have been completed.

Speedwatch – the Chair continued to encourage Cllrs to attend a Speedwatch session. Asked for more dates. Speed watch members will be invited to next month's meeting. Hearing form the last Speedwatch member at this meeting.

To discuss the Headcorn Neighbourhood Plan (HNP) and agree the next steps - Dr. Driver has been able to explain what had been drafted and its impact on the Village, also explained was the urgency of starting the final steps of this process as they are quite lengthy in and of themselves. It was agreed by the Council that the HNP had the Councils full support and that Dr. Driver and the steering committee should progress to the next stage. The details have been passed to MBC for their input. We are awaiting an update from Tom Gilbert who has been ill. Clerk will contact again later to check progress. The HNP has been passed back by MBC a meeting will need to be had at our end to go through their suggestions. In the meantime Dr Driver is helping the Clerk's Office with the Maidstone Local Plan as this ties into our HNP.

To discuss options for funding the former Methodist Church purchase with a PWLB Loan - MBC have agreed for the Methodist Church to be classed as a community asset. It was agreed that HPC would like to help the Heart of Headcorn Community Group with a PWLB Loan to be given as a grant to HoHCG to purchase the former Methodist Church. The Council asked for Tim

Thomas to give an update on the Methodist Church and about their proposal for the amount of capital that is needed to both secure the building and effect the repairs as needed after its purchase. To this end the final figure proposed by the Heart of Headcorn charity is £250,000. To abide by KALC guidelines a specific legally worded statement after a formal vote by Full Council must be included in these minutes to approve the application to the PWLB for a loan: -

It was RESOLVED to seek the approval of the Secretary of State for Levelling Up, Housing and Communities to apply for a PWLB loan of £250,000 over the borrowing term of 10 years for the Heart of Headcorn Charity to purchase the Methodist Church. The annual loan repayments will come to around £13,744. It is not intended to increase the council tax precept for the purpose of the loan repayments.

The PWLB loan would be paid out of already existing HPC funds and therefore would not need a raise in Precept. This has reduced the complexity of the request from a formal lengthy consultation with the Village to a single meeting and a simple vote (for and against) by attending Parishioners. It was agreed that this meeting and consultation with the Village take place on 18th May as to whether the Parishioners of Headcorn were in favour of supporting this initiative. The meeting and vote took place on the 18th May and with a large turn out that resulted in 146 votes in favour and 3 against the Village formally announced their approval of this project and its funding. It now remains to prepare the formal paperwork and apply for the loan with PWLB via KALC. The PWLB request has been sent to KALC and sent from them to PWLB for consideration.

Traders Car Park beside Longmeadow. - The company who owns the Carpark at the back of the Foremans Site would like to gift us a small portion of the land we currently rent from them in exchange for giving up the rental agreement on the whole site, thus allowing them to utilise a larger portion of the land they own which they intend to use for housing it was agreed that we should make further enquiries into this matter and report back to Full Council. This has been passed to Brachers Solicitors. The Starnes Solicitors have made contact with Brachers and they are liaising with on the legal aspects of the transfer of the land to HPC. Progressing with Solicitors. The Solicitors and Starnes have completed the first stages and it remains to progress this with the Brachers from our end.

To discuss Christmas Lighting options along with integrated High street Lighting - It was agreed that we should not be investing heavily in expensive Christmas lighting schemes at this time due to the uncertainty of finances this year. It was instead agreed that we would look at some smaller scale tree based lighting schemes that can provide more impact for less price. This will be revisited next month for a review and final decision. The Council looked at various ideas for lighting to hang in the trees which usually hold the Christmas lighting. Check on prices for Council. On agenda.
